

Bio: Evangelist LaTosha M. Abercrombie

LaTosha Abercrombie, a child of God, answered her call to serve in 2014. In her early years she served in her community not knowing she was already walking in her appointed calling, Outreach. She has used her gift to reach others through personal ministry and serving on several church auxiliaries such as Intercessory Prayer Warrior, Evangelism Outreach Team and the choir. LaTosha engages youth during seasonal workshops at the Indian River Juvenile Correctional Center in Massillon, Ohio, and educates teen offenders about Faith, Health and Rehabilitation.

LaTosha is the founder of *Gifts of Love Ministry*, a non-profit organization that is geared towards helping individuals gain needed basic resources. The ministry was birthed from her personal life experiences, testimony, and continued discovery of The Most High as creator and sustainer. *Gifts of Love Ministry* hosts an annual free outdoor thrift store in subsidized housing complexes in Stark County where people can obtain the physical things they need as well as encouragement, spiritual direction and support. She also owns a small business, Cuppa Love, LLC, which designs and markets personalized artistic mugs and other novelty items.

She is married to William L. Abercrombie, Founder of God Over Gangbanging. They have five children and eight grandchildren.
